

LLM/GPT

Training Data

Huge cost & data demand for training a foundation model

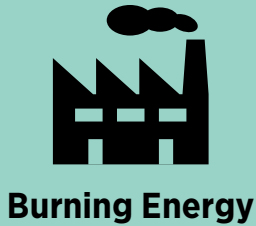

Genetic AI

Question → Evolution → Best Answer

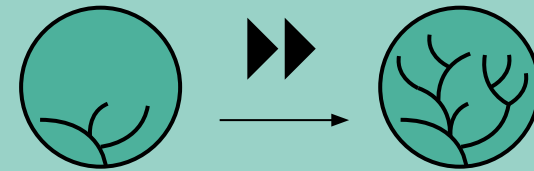

Trains itself on demand for every question

LLM/GPT

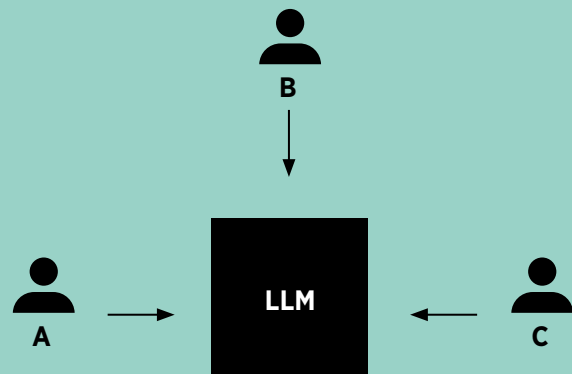

Huge energy consumption for training and answering

Genetic AI

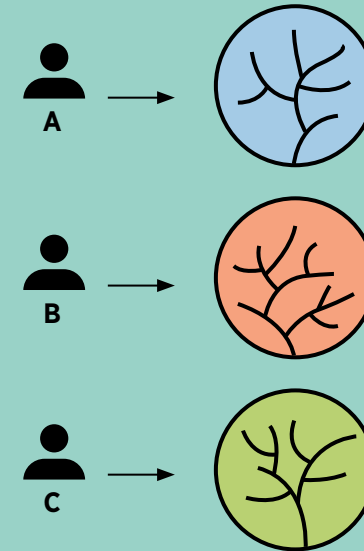

Answers questions with 99,9% less energy in less than 0,5 s

LLM/GPT

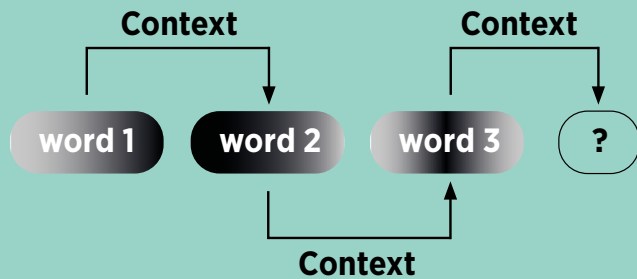

One biased LLM for all users

Genetic AI

Every user gets unique, unbiased AI

LLM/GPT

Transformer models puts word after word based on probability

Genetic AI

Finds the fittest answer by leveraging the laws of evolution
